MASKETTE IS PHENOMENON

JAMES R. KEENE SUPREMELY CONFIDENT SHE CAN BEAT FITZ HERBERT.

Noted Owner Makes Declaration Following His Filly's Cantering Victory in the Mermaid-Greenvale Makes New Record.

New York, July 7.—Maskette, announced as a starter in the Mermaid Stakes, was the important racing attraction at Sheepshead Bay today, and 16,000 devotees of the sport were present to see James R. Keene's great filly run. Maskette, at the prohibitive odds of 1 to 8, achieved a cantering victory, with 126 pounds up, in 1:52 for the mile and an eighth of the race. Everyone marveled over the ease with which the gigantic filly accomplished fillies, and in receipt of inheteen pounds by the scale, were unable to extend the winner at any stage of the running. Yet the forward running of the Madden filly and her decisive reversal of two free miles and an experise. Notwithstanding the practically miled at acties involved in trying to keep pace with Maskette from the start, Lady Bedford had plenty in the closing strides. Maskette is now being acclaimed the greatest three-year-old filly with the possible exception of Artful that has ever appeared in the American turf. Many horsemen, including her owner, have of the age with several poperation of the start in the closing strides. Seen said today that he did not underrain the patiently in the belief that she is sometior to the colts of the age in the several poperation of the many horsemen, including Fitz Herbert and under the patiently in the best of the second of the second probably take all Hilarious has in him to beat the Ethelbert three-year-old, but in comparing Maskette with Fitz Herbert and that it would probably take all Hilarious has in him to beat the famous turfman spoke with the ulmost assurance when he said: "I feel sure that my filly can beat him, He is a nice horse and has a great deal of quality about him, but Maskette is a very high-class mare, a phenomenon—one in a million. Hilarious, a pigmy comparatively, is not able to extend her in my opinion, particularly under stake weights. I shall be glad to start Maskette against Fitz Herbert when the opportunity offers and have in one foar of the outcome."

Greenvale made a new record for the five and onehalf furlongs grass course in winning the Inflexible
with 119 pounds up, when she ran the distance in
1:963. The Whitney filly's performance closely
approached high class. Jockey Dugan scored or
three mounts. He put it all over V. Powers twice
in succession in the closing races. Dugan is a
chronic foul rider. In the Greenvale race he intimidated Grand on Schoolmarm, the favorite, in the
most brazen manner.

SONS OF STALWART BRING GOOD PRICES.

First of the Get of That Great Horse Impress Buyers at Sheepshead Bay Sale.

New York, July 7.—Thirty-seven thoroughbred yearlings, consigned by the Kingston, Iroquois, Balgowan, Mere Hill and other studs, were auctioned off at the Fasig-Tipton Company's Sheepshead Bay paddocks today for a total of \$15,290, or a fraction over \$413 per head. Mr. Tipton said that this was a satisfactory average in view of the number that were sacrificed for almost nothing. H. K. Knapp, steward of the Jockey Club, chairman of the State Racing Commission and proprietor of the Oneck Stable, was the principal buyer. He paid \$2,000, which was next to the bighest price of the sale, for a half-brother to Belle of Iroquois by Stalwart, The first of the get of that great horse were offered today and, being exceptionally good lookers, excited today and, being exceptionally good lookers. PREPARATIONS FOR EMPIRE CITY MEETING.

New York, July 7.—James Butler and Matt J. Winn of the Empire City Racing Association are busy these days preparing for the coming meeting at Yonkers. The stable room of the Yonkers plant has been increased materially and the superintendent has a bunch of carpenters and painters at work getting things trimmed up.

The Empire City Association will race six days a week at Yonkers this summer and probably as many in the fall. Mr. Winn says that every indication points to a successful meeting, Horsemen will have small cause to complain of an unequal distribution of money at Yonkers. The Empire City Association has no big produce purses to make gotyle and Mr. Winn can arrange his program in such such as the make what money he gotyle and Mr. William Gerst's horses, in charge of trainer James Butte, are already installed at the Empire City course. The shipment from Latonia was accomplished without mishap or incident.

THIRTY LEADING TWO-YEAR-OLDS

Despite his recent surprising defeat, James R. Keene's good colt, Sweep, is well in advance of the leading two-year-olds of the year in the matter of money won. Cesarion's speedy son, Flying Squirrel, is second to him, but is likely to be displaced before long by youngsters having greater opportunities to add to their earnings. Waldo is not far behind him and Sam Hildreth's remarkably improved Dalmatian is fourth. Most of the richer eastern stakes for two-year-olds have been so reduced in value that horses of that age cannot now accumulate the great sums that formerly stood to the credit of the leaders at the close of each season. However, a good one can still do quite well and the present totals to the credit of the leaders will be greatly enhanced by the time the metropolitan season ends. The standing of the thirty leaders is now as follows:

ADVANCE STAKES WINNERS

The Advance Stakes is now at weight for age, but it was not always so. In its first two years—1899 and 1900—it was a dash of a mile and three-quarters under special weights, with penalties and allowances. It was in one of these two that one of the most popular racers ever known, the black mare Imp, ran a n-ile and three-quarters in such tast time as 2:59½. In 1801 the Advance was made a weight-for-age race at a mile and a half and at that distance was won in successive years by Star Bright and Gold Heels. Then in 1903 the distance was cut down to a mile and three-eighths and for the first time it was won by a three-year-old. Africander triumphing over Irish Lad. The latter had his turn the next year when he defeated out Wells and Bryn Mawr and set a record for the distance that has not since been equaled. The race stood unchanged until 1908, when for the first time it was run at its present distance of a mile and five-sixteenths and was won by Ballot in new record time. From 1904 on the Advance was of the guaranteed value of \$15,000, a sum cut down to \$2.500 for this year. The record of the race is as follows:

THE EQUALITY STAKES

One of the latest creations of the Coney Island Jockey Club, the Equality Stakes only dates back t 1902 and was devised as a special event for the fast milers, with the expectation, which has not been real ized, that in its running the fastest mile of record might be made and, perhaps, held as a feature of the venut. Extremely fast horses have contested the Equality and it has never been run in slow time, bu 1:38, by Dolly Spanker in 1904, is its fastest record and in that respect it has been somewhat disappoint ing. The Equality is run this year as an overnight closing race and its record is as follows:

NO BLANK DATES AT SHEEPSHEAD BAY NOW

New York, July 7.—The Coney Island Jockey Club today announced that there will be racing at the Sheepshead Bay course next Monday, thus providing for continuous racing until the closing day, July 13. The Empire City Racing Association and the Saratoga Association having already announced continuous racing, this means that racing will go on here every week day from now on until the fall meetings open, at least.

JOCKEY REID IN RARE FORM

BOY'S RIDING THE FEATURE OF YESTERDAY'S RACING AT FORT ERIE.

Dog Causes Bad Spill in Race Won by Creel-M. Civill Wins Two Races-Jockey McIntyre in Trouble.

Buffalo, N. Y., July 7.—Jockey James Reid was very much in the limelight at Fort Erie this afternoon. Young Reid rode the winner in four of the six races and in two instances was called on to display good horsemanship and ability as a finisher. Stromeland, Personal, Arrow Swift and Creel were Reid's winning mounts. Reid had a large following at Montreal and Hamilton and it now looks as if he will be the popular rider with the public at Fort Erie.

he will be the popular rider with the public at Fort EThe card offered by the Niagara Racing Association this afternoon was a fair one. The helds averaged better so far as class goes than those that the third that the post yesterday but icking whose that went to the post yesterday but icking whose that far from easy. Creel being the only favorite that won during the afternoon. P. M. Civill furnished two of the winners—Arrow Swift and Creel—and in each instance a large crowd gathered around the judges' stand with the expectation of witnessing a run-up. The boosters were not on hand however. Dispute, the three-year-old that C. E. Mahone claimed from W. P. Reed yesterday, was returned to the latter this morning.

A nasty looking accident occurred just after the start in the sixth race. Directly the barrier was sprung a dog dashed across the track in front of the field and Campaigner appeared to stumble over him. In the next ten yards the field bunched up, the horses on the outside bearing over against those close to the rail. There was a lot of jostling and in the mixup Campaigner fell and Jack Baker, who was in behind him, tumbled over the prostrate horse and rider. Everything was hidden in the cloud of dust that arose and for a time it was thought that both boys were hurt, but fortunately the riders escended with no further injury than a severe shaking.

Just as this excitement subsided, another accident cocurred in the naddock with more series reserts.

both boys were hurt, but fortunately the riders escaped with no further injury than a severe shaking up.

Just as this excitement subsided, another accident occurred in the paddock, with more serious results. While walking about, former jockey Willie Martin was kicked in the side by Chepontuc and the blow of the horse's hoofs rendered him unconscious. It was some minutes before he recovered his senses.

After the races Jockey Melityre got into a fist fight with jockey Reid and struck the latter twice before they were separated. Judge Nelson happened to be standing close by at the time and he told to be standing close by at the time and he told to morrow which probably means that MeIntyre will be suspended.

The yearlings that John Dyment and Mr. Lamb of Toronto purchased at the Fasig-Thoton sales arrived here this morning from New York, and were sent on to Woodbine. There were five in the Dyment oft, three of which are by Star Shoot, one by Voter and another by Sir Dixon. The Lamb consignment consisted of two Sir Dixons and the three-year-old filly, Pills,

James McLaughlin, Jr., and jockey Tommy Burns arrived from Latonia this morning. P. J. Miles and Tom Kiley also got in from the Kentucky course.

AUGUST BELMONT OFF FOR EUROPE.

Chairman of Jockey Club Talks Earnestly About Racing and Betting Before His Departure.

New York, July 7.—August Belmont, accompanied by two of his sons, Raymond and Morgan, sailed for Europe on the Lancaus Europe on the Lancaus Europe on the Lancaus Europe, and the said: "In my online resing is now more popular than ever. Even without betting racing will always be popular both in this country and Europe. Admiration for courage and stamina and the gambling spirit are the potent influences."

"When you touch upon gambling in its relation to racing you reach the lowest stratum in the sport," bis interviewer suggested.

"Do you bet?" asked Mr. Belmont, turning abruptly on his questioner.

"Xes, when I have the chance," admitted the lattle to the control of the course o

abruptly on his questioner.

There's, when I have the chance," admitted the lattices, when I have the chance," admitted the lattices, when I have the chance, admitted the lattices, when I have the chance, admitted the lattices, when I have the chance was to bet let them bet. I believe in being reasonable and not hypocritical. The fact is, racing was created by the betting spirit and not the betting spirit by the racing. If people are not able to bet on the races they will quickly enough find something else to bet on. It is racing that makes the breeding of the thoroughbred possible and the racing of thoroughbreds is a splendid occupation," continued the chairman of the Jockey Club.

Mr. Belmont to succeed. He was sure that the public was taking more and more interest in racing despite the Hart-Agnew law. In his opinion the breeding of thoroughbreds is vastly important in its special field.

Mr. Belmont, "and there is betting at the racing day. There is no reason why people should not bet if they have the money and the inclination. To prevent a man from betting is to restrain the freedom that is granted him under the constitution. And, of course, some sort of betting is necessary to sustain the interest in racing. If racing should be killed in America it would mean the loss of millions of dollars to the country."

RULE DIRECTED AGAINST THE POOLROOMS.

Victoria. B. C., July 7.—The management of the Victoria Country Club will hereafter allow no information of racing results to be wired or transmitted in any other way from the track in season for use in poolroom betting in the United States and Canada.

Jockeys Lycurgus and Selden have been suspended indefinitely for rough riding.

MAY EXPLAIN FAYETTE'S POOR SHOWING.

New York, July 7.—Fayette may race better from now on than heretefore this year. John Madden has discovered what has kept Fayette from showing all season the good form that he displayed as a two-year-old. There was an ulceration in one of his feet which Madden only recently discovered and which he has since been treating with success. Fayette will be a starter in the Lawrence Realization next Tuesday.

PADUCAH MEETING DECLARED OFF.

Paducah, Ky., July 7.—The proposed twenty-one days race meeting, which was to have opened to-morrow, was called off this afternoon because a committee of citizens had engaged counsel to prosecute the promotors, Harry White and Mark Moore.

ERROR OVER POST TIME AT FORT ERIE.

In the race won by Arionette at Fort Eric Tuesday the horses went to the post at 3:40 and were at the post five minutes, making the "off" time 3:45, instead of 3:50, as previously reported.

Eddie Dugan, always in forward and persistent pursuit of the leader, could never get up in a long final drive. Everett, well up throughout, was a persistent third. Accumen was also a prominent contender for five furlongs, but tired in the closing drive. Levenston, always well up, held on well at the tnd. Pocket, crowded out on the stretch turn, is a good looker and promising. M. R. Williams, also promising, finished close up. Blundara has a sore mouth. The records of the two fine colts show that each has won three races in actual competition this year and Fitz Herbert has had a walkover in addition. Fitz Herbert made his first start of the year year and Fitz Herbert has had a walkover in addition. Fitz Herbert made his first start of the year at Belmont Park May 29, and, with 123 pounds up, won the Pocantico Stakes at three-quarters of a mile in 1:13, defeating Lady Bedford, 114, Henley, 108, Sententious, 111, and Yama, 111. His next start was in the Broadway Stakes at Gravesend, one and one-sixteenth miles. He carried 118 pounds and won easily by two lengths in 1:47, with Fashion Plate, 114, second and Petticoat, 109, third; Marcellus, 111 and Turncoat, 108, ran unplaced. His next and greatest triumph was in winning the Suburban Handicap at Sheepshead Bay June 24. Here he carried 105 pounds and, waiting until his stablemate, Restigouche, had carried on the running at a great pace for a mile, went to the front and, drawing away, won pulling up by ten lengths in 2:63\(\frac{3}{2}\). Alfred Noble, with 104 pounds, was second, Fayette, 101 pounds, third and King's Daughter, 109, Restigouche, 121, and Fashion Plate, 92, ran unplaced. His walkover was for the Coney Island Jockey Club Stakes July 3.

Hilarious made his debut this year in the Withers

Hilarious made his debut this year in the Withers Stakes at Belmont Park, May 22. The distance was one mile and he had for opponents Joe Madden and one mile and he had for opponents Joe Madden and Fayette. All carried 126 pounds. Hilarious led throughout and won by four lengths easing up, with Joe Madden second and Fayette third. The track was sloppy and the time 1:41½. His second start was in the Carlton Stakes at Gravesend, June 12. having Joe Madden, Fayette and Practical in opposition. This race was, or should have been, as easy for him as the Withers. He led by from four to six lengths to within a sixteenth of the finish, when Butwell began pulling him up, and Joe Madden, coming with a sudden rush, almost got up and was only beaten a half length. This bit of stupidity cost Butwell bis job of riding the Keene horses. was only beaten a half length. This bit of stundity cost Butwell bis job of riding the Keene horses. The mile of the race was covered in 1:41½, and the two leaders each had up 126 pounds, Fayette carrying 122 and Practical 111. His last race was in the mile and a quarter Tidal Stakes, at Sheenshead Bay, June 26. The starters were Hilarious, Joe Madden and Fayette, 126 pounds each, and County Fair, 123. Hilarious led by a wide gap all the way and in a splendid display of speed and stamina won by two and a half lengths in 2:05, with Fayette second and Joe Madden third.

It is to be noted that in all of his races Hilarious has had noted that in all of instances in the saddle, while Fitz Herbert has carried less. ORIGIN OF THE THOROUGHBRED.

A correspondent has asked the American Horse Breeder "What is a Thoroughbred?" and that paper has replied that when applied to horse the term thoroughbred is understood to mean an animal of a breed that has been bred in England as generations to race at the running gail. The way of the property of the

Third—Place's White Turk, extensively used, and to him most of our best horses can be traced through Matchem.

Fourth—The three Turks, brought over from the siege of Vienna in 1684.

Fourth—The three Turks, brought over from the siege of Vienna in 1684.

Fourth—The royal mares imported by Charles the Second, who sent his "Master of the Horse to the Levant" especially to procure them. These are also mentioned in all the best pedigrees.

There are two classes of thoroughbreds, one of which includes only such descendants of King Charles' royal mares as were by pure Barb, Arabian or Turk stallions, without the admixture of other blood; while the other class includes animals that are direct descendants in the paternal line of the first class, and have inherited not less than five unbroken crosses in the maternal line of the thoroughbred of the first class. As we understand it, all such animals, regardless of their speed ability or other race-winning qualities, were eligible to registration as thoroughbred in the old English Stud Book, and hoo distinction was made there between the two classes at thoroughbred whose sires and dams trace in every line to animals that are registered in the English Stud Book, whether they are clean-cut and show quality or not.

The thoroughbred horse of America is a descendant of the English thoroughbred. There were three horses to one or the other of which the English thoroughbred is largely indebted for his most valuable qualities. They were Byerley Turk, Darley Arabian and Godolphin Arabian, all of which were undoubtedly pure-bred horses of the desert. Most of the best thoroughbreds of the present time are

descendants of English Eclipse, Matchem or King Herod. Eclipse was a direct descendant in the paternal line of Darley Arabian; Matchem of Godol-phin Arabian, and Herod of Byerley Turk. The dam-of Herod was inbred to Darley Arabian through Fly-ing Cinders. The dam of Matchem was by Croft's Partner, a son of Jigg, by Byerley Turk, and the dam of Eclipse was by Regulus, a son of Godolphin Arabian.

DISCUSSION OF BOOKMAKING METHODS.

"How the different ways of bookmaking are viewed by people in and out of the business and what figure is cut by the style used was a subject that was discussed many times since the Latonia meeting opened," remarks the Cincinnal Enquirer. "In all of the years that the track betting ring was open to bookmakers the big bootis and slates held forth. Last fall and at the meeting just closed the small hand slates have replaced the other form. Many ask why the change. Brokmaning is booting that the property of the small hand slates have replaced the other form. Many ask why the change. Brokmaning is booting to the same that the same that the same was made chiefly to get a larger number of bookmakers. The track naturally expected to profit by this arrangement, as it was figured that over double the number would cut in with the tariff fixed at \$15 per race. With the booths it was \$100 a day, cut in for two or three days, and each bookie had to pay part of the sixth purse. The little slates gave a chance to cut in with a small bankroll and take a chance, but in this particular instance the eastern style failed to accomplish the purpose for which it was employed. "The bookmakers did not come this way, and to read of seventy-seven doing business at Toronto and fifty at Hamilton, is enough to make one sit up and the sum of the mat when the comes to racing. The chances are largely that there are reasons why a bookmaker should not come to Latonia. But that's another story.

"The question is, who profits by the small slate, the player or the layer? Both would make a good answer.

"At times the layer can get the money in cheaper and again the player can get a good price before

the player or the layer? Both would make a good answer.

"At times the layer can get the money in cheaper and again the player can get a good price before the bookie is aware of what's doing. What is being done is too plainly shown by the big slates and the bookies watch each other like hawks and rub at the bookies watch each other like hawks and rub at the lirst inkling that a horse is going to be played. When he sees a horse is being bet on at \$10.1 when he sees a horse is being bet on at \$10.1 when he sees a horse is being bet on at \$10.1 when he doesn't wait until the money is offered at those odds, but anticipates the customer by laying six. That's the gag with the booths and big slates "It has been shown where a horse was backed from 30 to 1 to 5 to 1 and not a penny wagered. There is where the small slates pinch the layer who has been accustomed to trade on what his brethren in the ring are doing. He can't see with the hand slates, and has to wait until his trusty runner arrives with the information, and then perhaps the fire is out."

ANOTHER NEWCOMER IN EASTERN RACING.

New York, July 7.—W. E. D. Stokes, who paid \$3.100 for The Spy II., a brown colt by Disguise-Semper Paratus, at the Sheepshead Bay yearling sales on Monday, is the proprietor of the Ansonia Hotel in New York and of the Patchen Wilkes Stock Farm in Fayette County, Kentucky, at which the famous trotting stallions, Peter the Great (2:071), F. Crystallion (2:14) and Patchen Wilkes (2:294), are standing, Stokes, now carrying the colors of Thomas Hitchcock, Jr., in French steeplechase races, was named for him. Mr. Stokes' purchase of The Spy II. represents his entry Into the ranks of the Spy II. represents his entry Into the ranks of the Spy II. represents his entry Into the ranks of the Spy II. represents a steeple of the Spy II. represents his entry Into the ranks of the Spy II. represents a steeple of the Spy II. but Mr. R. Keene acquired at \$3.100.

John E. Madden, who is a friend and neighbor of Mr. Stokes, offered Mr. Keene a profit for Katonah on behalf of the purchaser of The Spy II. but Mr. Keene would not sell.

Some time ago Mr. Stokes, who is a great believer in the potency of thoroughbred blood, announced that he intended to Infuse some of it into his trotting stock. Mr. Stokes bought The Spy II. to race, however. He will buy other youngsters later on. Some two weeks ago Mr. Stokes bought the thoroughbred broodmare, Laodice, in foal to Ogden, from Mr. Madden. His young horses will be entered in the Epsom Derby and Grand Prix, and if they show good quality in this country, will be sent abroad to lill such engagements as may be made for them. A thorough horseman himself, he will not engage a trainer until he sees what he has to train.

CONSIDERS SIR MARTIN OVERWEIGHTED.

New York, July 7.—John Huggins, who recently returned from England and who had \$2,500 on Sir Martin to win the Derby, could not tell how he lost his money. "Way," said he, "when Sir Martin fell he was all of three-quarters of a mile away from where I was, and how could anybody tell at that distance what had happened? I thought William the Fourth ran as good a race as any horse in the Derby. He was baddy interfered with. I had my mind made up to go to Paris and back him to win the Grand Prix. Now I am glad I didn't go to France. Sir Martin ran in the Royal Hunt and didn't win. How could he? He wasn't able to do the impossible. No three-year-old has ever won the race with the weight they put on him, and none ever will. He isn't in anything over there and I don't know when he will start again."

CONEY ISLAND CLUB DOING ITS SHARE.

New York, July 7.—Commenting upon the action of the Coney Island Jockey Club in announcing the opening of various valuable Futurity fixtures for 1911 and 1912. Schuyler L. Parsons, president of the club, has this to say:

"The prizes may not be quite as rich as they have been, but New Yorkers want good racing and high-class horses. This cannot be brought about unless the stakes are sufficiently interesting to breeders, and the Coney Island Jockey Club will try to induce owners to breed the best and race them."
